Aluminum Shiplap Wall Panels + Woodgrain Floating Shelf

FORGING PARTNERSHIPS SINCE 1969.

Stoll Fireplace, Inc. was established in 1969 when Mr. William Stoll designed and hand-crafted a custom screen for his South Carolina home. Mr. Stoll's Christian values continue to be the guiding principles of the company's ethical standards and customer satisfaction.

Stoll Industries was formed after a lasting and successful tenure in the fireplace industry. Using their expertise in metal works, Stoll Fireplace, Inc. decided to broaden their custom metal designs to feature cabinets, walls, doors, drawers and backsplashes.

Today, the 3rd generation of the family continues to build on Stoll's reputation in the industry for innovation, customer support, and quality hand-crafted products for the home.

Our Mission:

To be **intentional** in our actions, building an environment of **honesty** and **faith** that creates a platform for **God** in the workplace.

PROUDLY MADE IN THE USA.

Our wide range of products can be found in the finest specialty stores and design centers throughout the US and Canada.

Horizontal Layout

Our horizontal panels create strong lines and shadows that compliment the trendy linear design. These panels can be made as narrow or as wide as the desired style.

Accents

Add depth & style while hiding seams between panels.

Customizable

Custom made to any size within 5'x10' panels

Over 20 Finishes

Standard or premium options
(see p.22 for more)

Built Strong

High quality 1/8" sheets fabricated through a rolling process of temperatures over 1000°F

Wall - Hot Roll Natural finish with Rivets + Banding
Fireplace Door - Sliding in Industrial Black finish

Tiled Layout

Individually cut in proportion to the wall or space being covered, each tile has a precise laser cut edge, and are placed close together resulting in tight joints and clean lines.

Accents

Add depth & style while hiding seams between panels.

Customizable

Custom made to any size within 5'x10' panels

Over 20 Finishes

Standard or premium options
(see p.22 for more)

Built Strong

High quality 1/8" sheets fabricated through a rolling process of temperatures over 1000°F

Wall - Antique Black finish • Transitional Shelf
Fireplace Door - Transitional in Champagne finish

Vertical Layout

Visually heighten the feel of the room with our clean vertical design.

The rich texture of our powdercoat and hand-finished premium finishes reduce the need for additional artwork.

Accents

Add depth & style while hiding seams between panels.

Customizable

Custom made to any size within 5'x10' panels

Over 20 Finishes

Standard or premium options
(see p.22 for more)

Built Strong

High quality 1/8" sheets fabricated through a rolling process of temperatures over 1000°F

NEW

Shelves

Floating shelves are a popular décor concept, and no one does it as well as Stoll. Our endless design and color options, combined with our simple installation, make our metal shelves the perfect accent to any room.

Our shelves are non-combustible, and provide protection for your entertainment center, while accenting your fireplace setting. Use our stainless steel shelves to add a modern, contemporary touch to your room, or for all outdoor applications.

Non-Combustible

Can go over fireplaces, stoves or just about anywhere!

Simple Installation

Two-piece construction allows for quick and easy installation.

Customizable

Custom sizes, lengths, and styles

Finishes

Available in a variety of finishes and options

Decorative Banding

Choose from 3 of our banding styles. Accented with rivets or our two-step hammering process, our hand-crafted banding wraps around and enhances the beauty of your shelf.

Blacksmith

Aged Iron

Old World

Decorative Brackets

Highlight your shelf with one of our faux support brackets. These brackets are conveniently attached to the shelf, and do not require wall anchoring.

Square
